V-Piano Pro Privacy Policy

All intellectual property rights of “V-Piano Pro” App is exclusively and absolutely owned by V-Piano Pro. V-Piano Pro respects your privacy rights and recognizes the importance of protecting any information collected about you. This Privacy Policy defines how V-Piano Pro collects and uses personal and non-personal information in relation to the application ("App") V-Piano Pro. BY INSTALLING, USING OR OTHERWISE ACCESSING V-Piano Pro, YOU AGREE TO THIS PRIVACY POLICY. IF YOU DO NOT AGREE TO THIS
PRIVACY POLICY, PLEASE DO NOT INSTALL, USE OR OTHERWISE ACCESS V-Piano Pro. V-Piano Pro reserves the right to modify this Privacy Policy as required; therefore please review it frequently. If V-Piano Pro makes material or significant changes to this Privacy Policy, V-Piano Pro will notify you by means of a notice within the V-Piano Pro App. Your continued use of V-Piano Pro will signify your acceptance of the changes to this Privacy Policy.

Personal Data:

You agree that the personal profile
filled in by you in the App includes certain minimal personal information required by the Company exclusively to meet its legitimate business purpose. Such personal information provided by the User may include phone numbers, photos, account names or other information that would enable V-Piano Pro to identify you. V-Piano Pro hereby represent that it has implemented adequate technical and organizational security measures of such standard as prescribed under applicable laws, regulations, rules, etc. in force, to protect the Personal Data against
accidental or unlawful destruction or accidental loss, alteration, unauthorized disclosure or access and against all other unlawful forms of processing. If the App uses Third-Party services for sharing Content generated using this app, the App would access your basic data from such Third-Party services needed for the authentication, Content sharing or other features provided by the Third-Parties, so however that, the App would not collect or use any personal data.

How we Protect Your Personal
Information

A. The security of your personal information is important to us. We have implemented reasonable administrative, technical, and physical security measures to protect against the unauthorized access, destruction or alteration of your information. Despite our best efforts, however, no security measures are completely impenetrable.

Non-personal data:

V-Piano Pro may use tools or third-party analytical software to collect and use certain non-personal data that does not enable
V-Piano Pro to identify you. The types of non-personal data V-Piano Pro may collect and use include, but are not limited to:

(i) mobile device type.
(ii) mobile device software version.
(iii) geographical data no more accurate than metropolitan areas.
(iv) total time of App usage and usage of filters.
(v) other non-personal App data as reasonably required by V-Piano Pro to enhance its features. V-Piano Pro may use the collected Non-personal
data for purposes of analyzing usage of the app, managing and providing V-Piano Pro and to further develop V-Piano Pro services and products.

**Data Retention:**

V-Piano Pro retains the information collected pursuant to this Privacy Policy only as long as necessary for legal or regulatory reasons or for legitimate business purposes. If the collected information is no longer needed for purposes specified in this Privacy Policy, V-Piano Pro on its own shall delete all aforementioned information in its
possession, without the need to communicate such deletion to the user/s concerned. **Third-Party Terms and Conditions:**

Please note that your access to and the ability to use V-Piano Pro may be subject to certain third-party terms and conditions and privacy policies, including but not limited to application stores, mobile software platforms, online social sharing platforms, external data storage clouds and payment related service providers, if any. You recognize and agree that V-Piano Pro is not liable for any such
third-party terms and conditions and their use of your personal data, and that your access and use of the App is subject to such terms and conditions, and privacy policies of such third-parties.
